Objective

B.Tech student in Electronics Communication Engineering (AI Cybernetics) with hands-on experience in software development, backend applications, data analysis, and AI-driven projects. Proficient in C++, Python, SQL, and core programming concepts, with experience building applications, debugging software, integrating APIs, and automating workflows through academic and personal projects. Seeking a Programmer Analyst Intern role at Amazon to apply strong problem-solving and software engineering skills while contributing to scalable, reliable, and automation-driven solutions.

Education

Vellore Institute of Technology CGPA: 8.72
B.Tech, Electronics & Communication Engineering (AI & Cybernetics) *May 2023 – May 2027*

Core Skills

- **Product & Business Analysis:** Requirements Gathering, PRD Support, Process & Root-Cause Analysis, Market & Competitor Research, KPI Tracking & Reporting, Data-Driven Decision Making
- **Data & Analytics:** Python (Pandas, NumPy), SQL, Power BI, Matplotlib/Seaborn, Microsoft Excel, Google Sheets
- **Technical Foundation:** REST APIs, Flask, FastAPI, MySQL, MongoDB, Git/GitHub, Basic Software Development
- **AI/ML Exposure:** Scikit-learn, TensorFlow, PyTorch, Neural Networks – applied to AI-powered product design
- **Collaboration Tools:** Google Workspace, GitHub, VS Code
- **Core Strengths:** Stakeholder Coordination, Cross-Functional Communication, Ownership & Execution, Adaptability

Experience

Telecom Technology Intern Jun 2026 – Jul 2026
BSNL
- Worked across 2G/3G/4G network operations, gaining practical exposure to telecom infrastructure, operational workflows, and cross-team technical coordination.

Business Development Executive Intern May 2026 – Jun 2026
Reddensoft Info. Pvt. Ltd.
- Coordinated with cross-functional business and client teams to strengthen outreach, engagement, and communication strategies.
- Managed end-to-end bidding and deal-confirmation workflows for client projects, building strong operational coordination and follow-through skills.

Projects

Customer Behaviour Data Analysis | *Python, SQL, Power BI*
- Built an end-to-end BI pipeline (Python → SQL → Power BI) analyzing customer purchasing patterns across demographics, product categories, discounts, and payment methods.
- Delivered KPI dashboards and stakeholder-ready reports that informed marketing, product, and customer-retention strategy.

Churn Analysis for OTT Platforms | *Python, SQL, Matplotlib/Seaborn*
- Extracted and cleaned multi-table SQL data to analyze churn drivers across customer demographics, subscription tiers, and support escalations.
- Translated behavioral visualizations into actionable retention recommendations for stakeholder decision-making.

AlgonaughtBoard – AI Crane-Monitoring Dashboard | *Python, Deep Learning*
- Built an AI-powered dashboard using deep learning models to predict equipment failures, accident risk, and preventive-maintenance schedules – demonstrating applied AI-product design.

Lansera – AI Dataset Chatbot | *Python, NLP*
- Developed the backend and AI-model integration for a dataset-driven conversational chatbot, improving response efficiency while achieving 92% answer accuracy.

Achievements & Certifications

- **Grand Finalist** – Top 18 of 600+ teams nationwide, Dynamic Hackathon (Dynamic Cranes Engineers Pvt. Ltd.)
- Solved **479+ problems** on LeetCode
- Machine Learning Specialization – Stanford University / DeepLearning.AI
- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional
- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate

Leadership & Extracurricular

Program Representative, ECE (AI & Cybernetics) Students' Council 2024 – 2025
- Represented student interests and coordinated communication between students, faculty, and administration.

Technical Team Lead, IoT Club 2024 – 2025
- Led workshops and technical sessions, mentored peers, and drove participation in technical events.

Floor Student Representative, Hostel Administrative Council 2025 – 2026
- Coordinated logistics and communication between students and administration.
